SMART FURNISHINGS

La progettualità e il design Bluinterni aprono nuove porte, creano nuovi spazi.

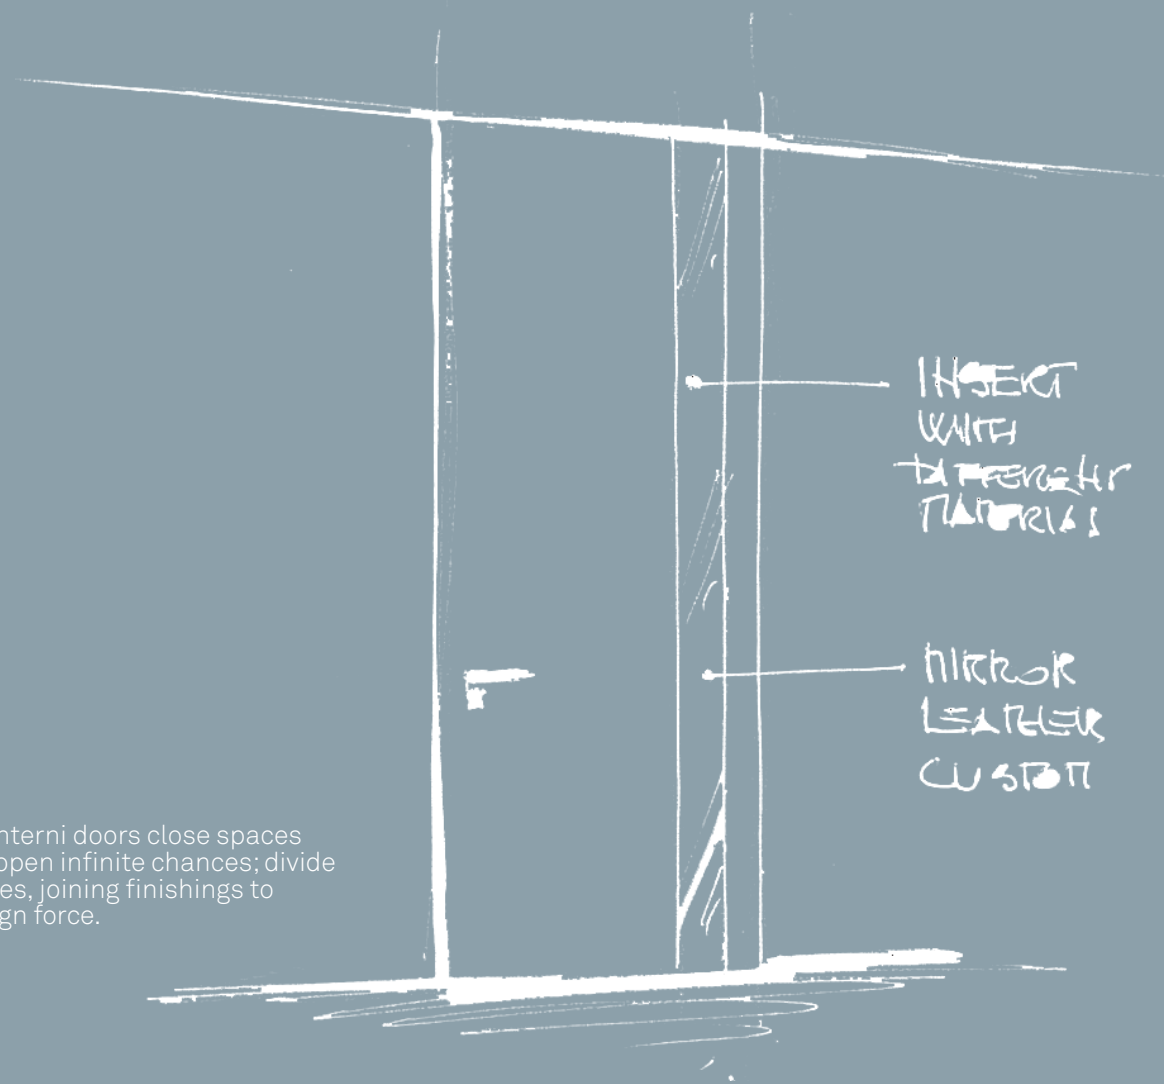

Planning and design
Bluinterni open new doors,
create new spaces

Le porte Bluinterni chiudono gli spazi, ma aprono infinite possibilità progettuali; dividono gli ambienti, ma uniscono alla varietà di finiture la forza del design.

Un mondo di soluzioni, dimensioni e materiali per tutte le architetture contemporanee, dalla casa agli ambienti di lavoro, dalle strutture ricettive agli spazi pubblici. Nelle porte **Bluinterni** la funzionalità incontra la ricercatezza estetica, come nella nuova anta Twist, realizzata in collaborazione con l'Arch. Marco Fumagalli. Assoluta flessibilità e massima personalizzazione per porte che arredano.

Bluinterni doors close spaces but open infinite chances; divide places, joining finishings to design force.

A world of solutions, dimensions and materials for all actual architectures, starting from house, reaching offices to public spaces. In Bluinterni doors functionality meets aesthetic point of view, as in the new door Twist, realized with Arch. Marco Fumagalli. Total flexibility and maximum customization for design doors.
