ESSENZA • WOOD: TULIPWOOD

Porte fornite complete di telaio, coprifili, cerniere a pomella e serratura magnetica. Maniglia esclusa.
Doors supplied inclusive of frame, casings, pintel hinges and magnetic lock. Handle not included.

Il legno massello da noi impiegato è di prima qualità, stagionato a 10°/12° di umidità, completamente naturale, non trattato chimicamente e proveniente unicamente da aree soggette a riforestazione programmata secondo le direttive dell'American Hardwood Council.

We only use first grade solid wood, aged in 10°-12° C humidity conditions, entirely natural and not chemically treated. It comes only from areas subject to programmed reforestation as per the American Hardwood Council directives.

TELAII SPECIALI • SPECIAL FRAMES

SPESSORI MURO DA 8 CM A 30 CM.

Il telaio viene realizzato producendo l'elemento centrale su misura.

FROM 8 CM TO 30 CM WALL THICKNESS.

The frame is manufactured with a bespoke central element.

SPESSORI MURO OLTRE 30 CM.

Per garantire stabilità, il telaio viene realizzato "intelaiato", cioè con montanti, traverse e pannelli.

OVER 30 CM WALL THICKNESS.

In order to guarantee stability, a "Special frame" version is manufactured with uprights, crosspieces and panels.

PANNELLO in massello giuntato a pettine dello spessore di 24 mm, con piattabanda su quattro lati. Nei modelli predisposti per vetro, viene fornito il telaietto fermavetro assemblato.

PANEL in solid wood 24 mm splice jointed with platband on four sides. A factory-fitted holding frame is supplied on models with glass.

CERNIERE mod. Classico in ottone, a "pomella" con cuscinetto a sfere reggispinta. Finiture: ottone satinato / ottone lucido.

Pintel HINGES mod. Classic in brass, with supporting ball bearing. Finishes: matt brass / polished brass.

COPRIFILI • CASINGS

Coprifili lisci L. 6,4 cm in massello, ad incastro regolabile, con taglio a 45° o a 90° da eseguire in opera.

Smooth casings 6,4 cm wide, in solid wood, with adjusting tooth, assembled with 45° or 90° cut to be carried out during assembly.

SERRATURA MAGNETICA • MAGNETIC LOCK

Serratura a movimento magnetico disponibile Patent o WC. Finitura: ottone.

Magnetic lock available Patent or Wc. Brass finish.
